Today I will surpass
Every action which
I performed yesterday.
I will climb
today's mountain . . .
yet tomorrow
I will climb
higher than today.
To surpass the deeds
of others is unimportant;
To surpass my own
is everything.

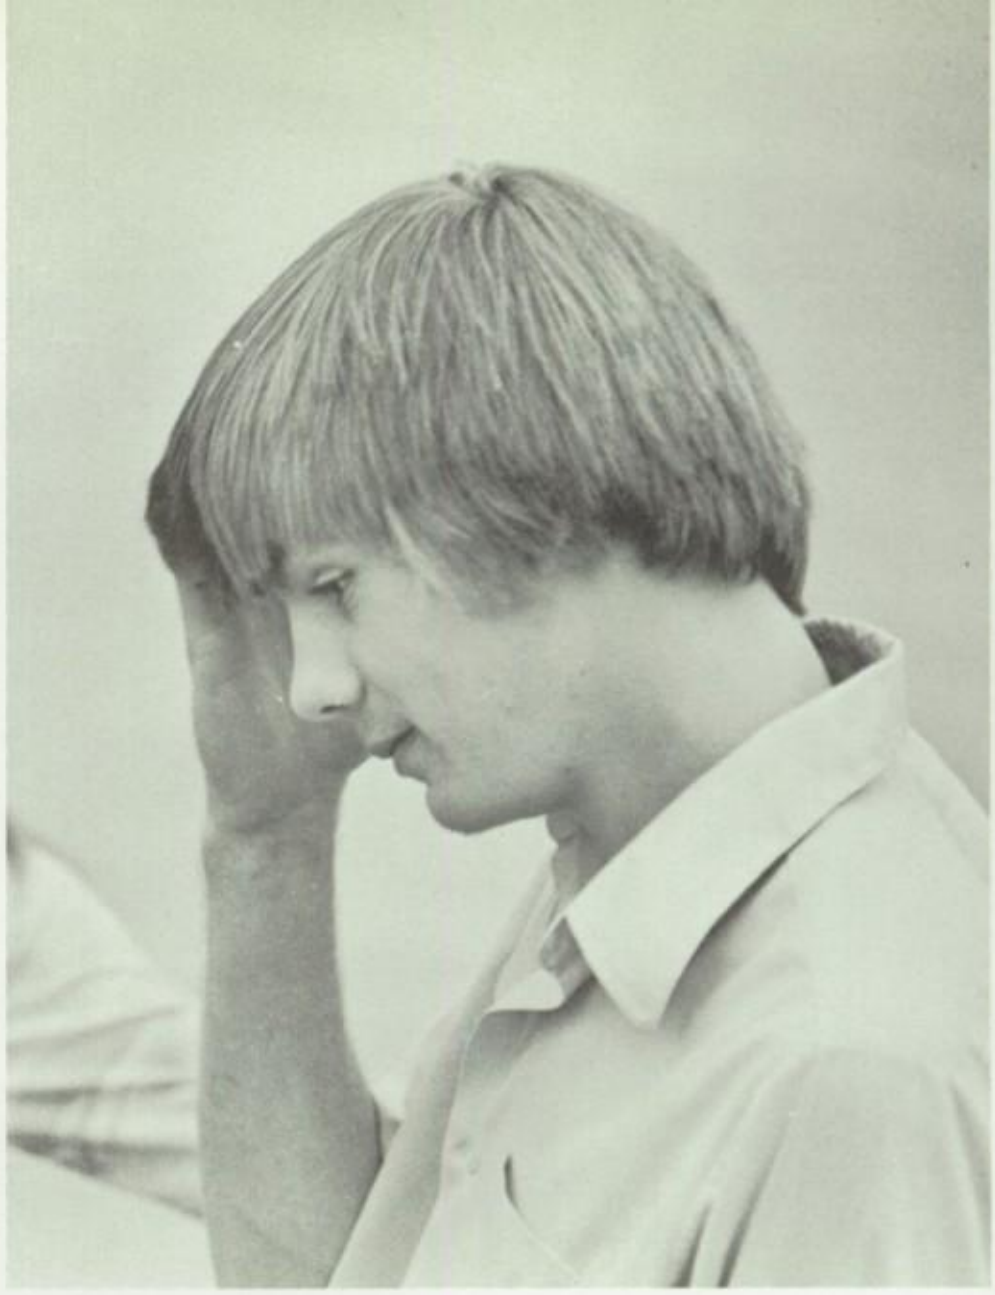
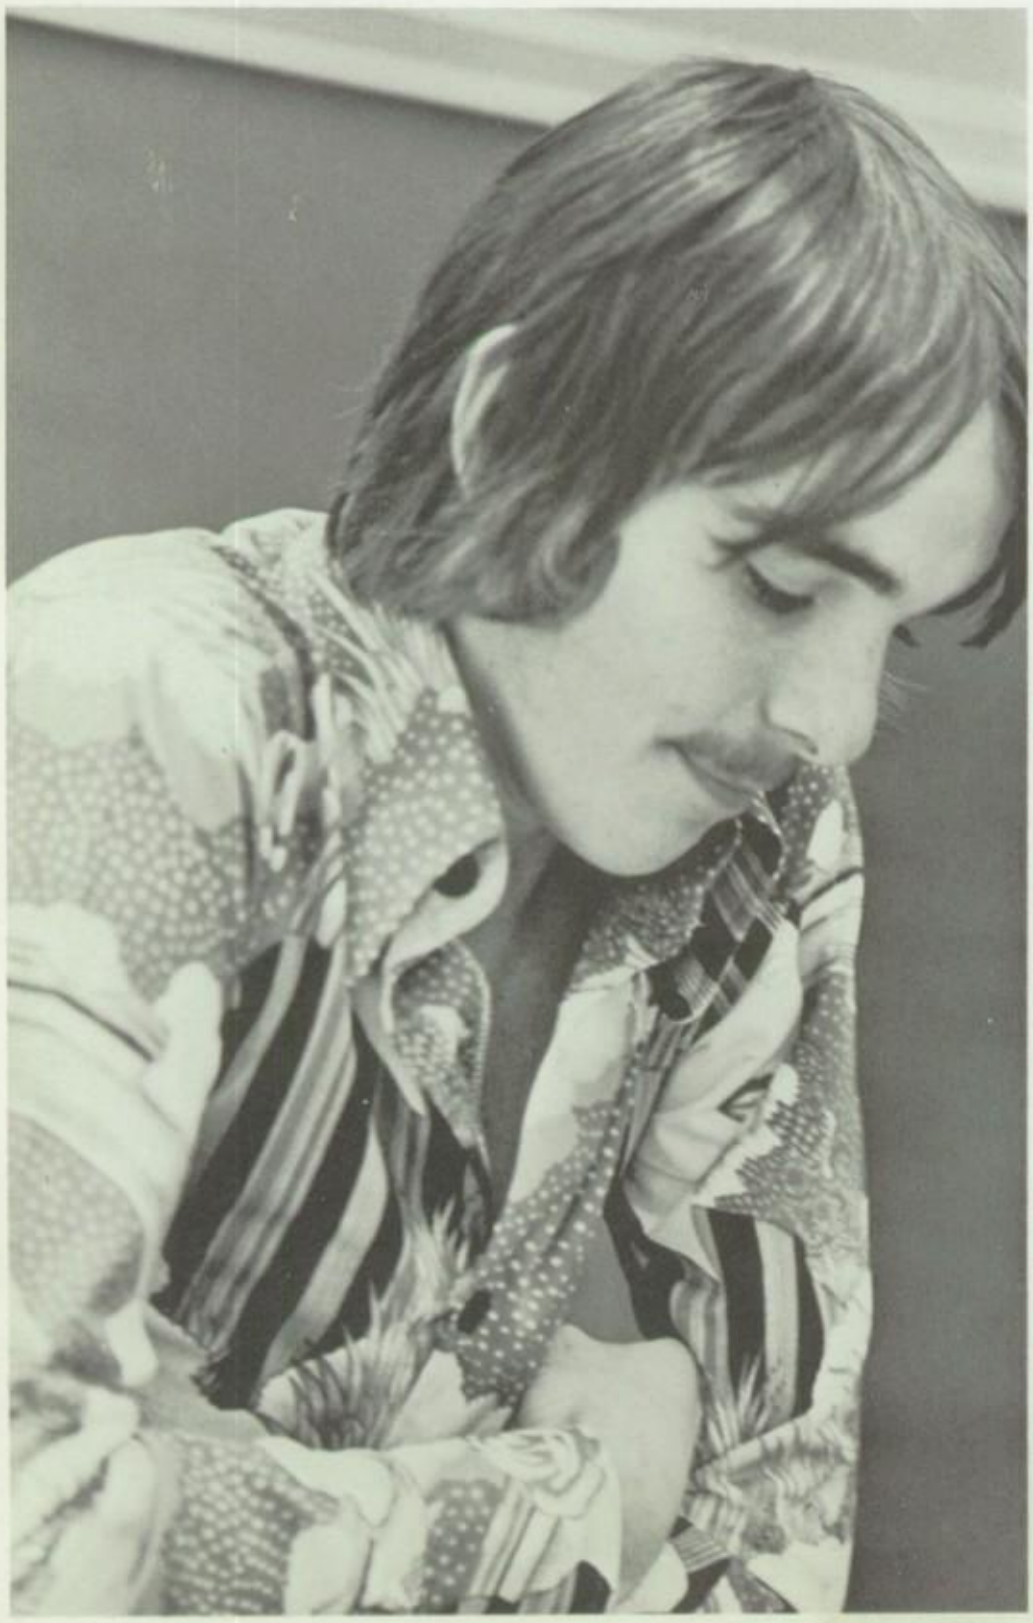
As we advance in life, we learn the limits of our abilities.

J.A. Froude



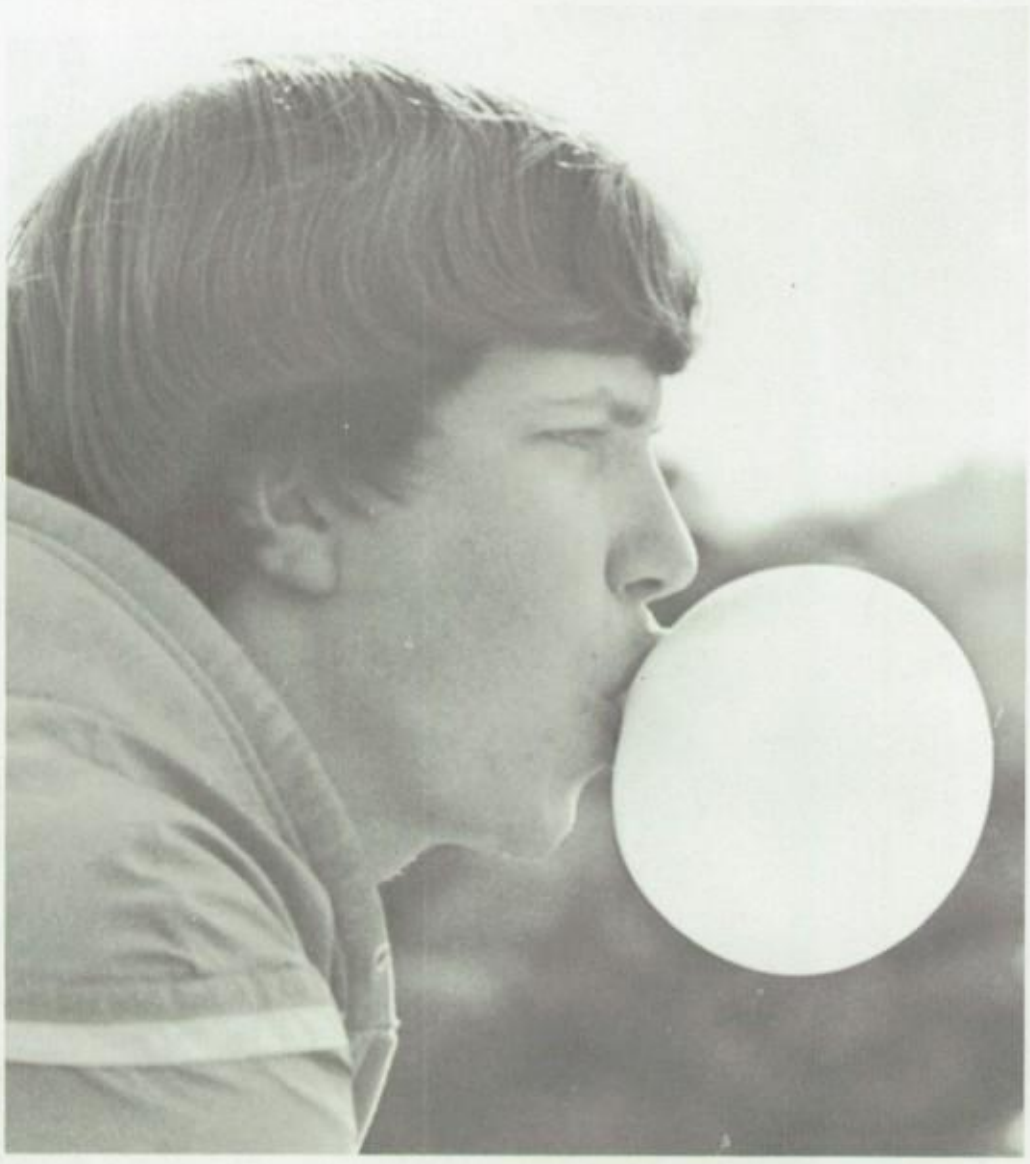


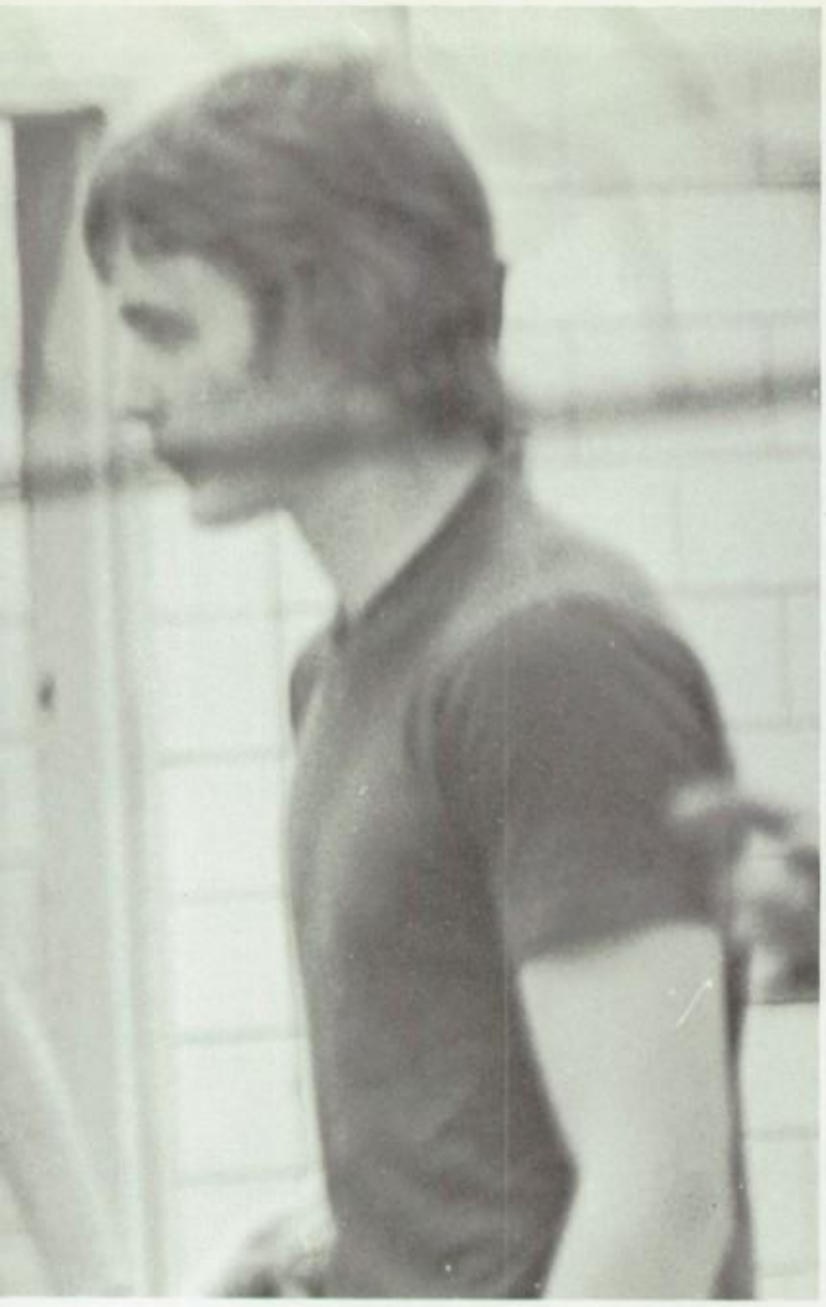
Nothing is worth more than
this day.

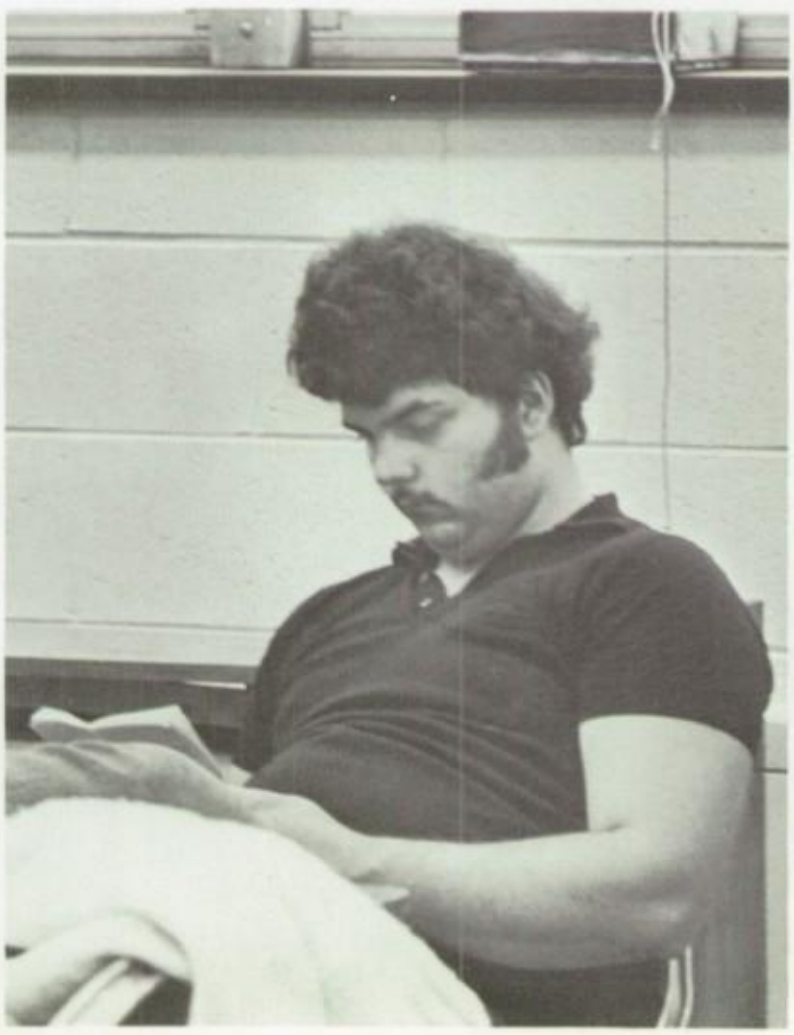
Goethe

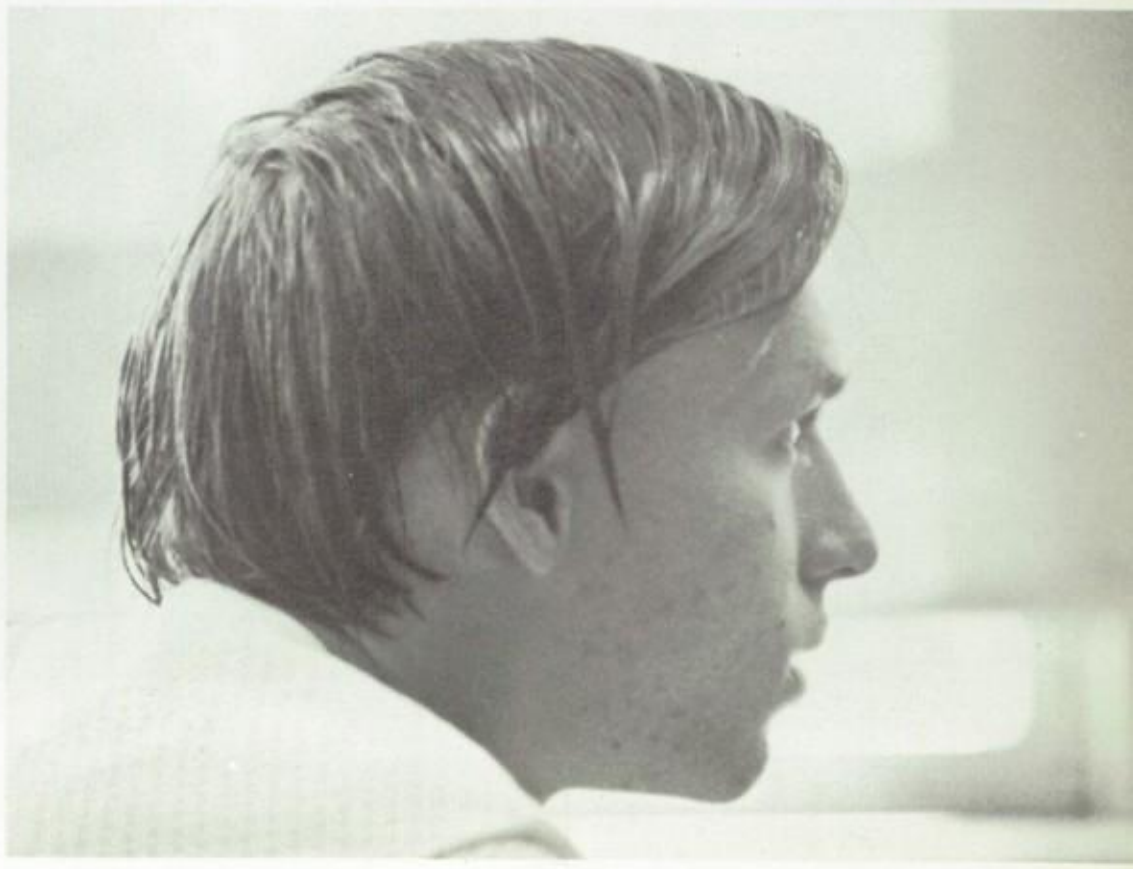
Wisdom is only found in truth.

Goethe.



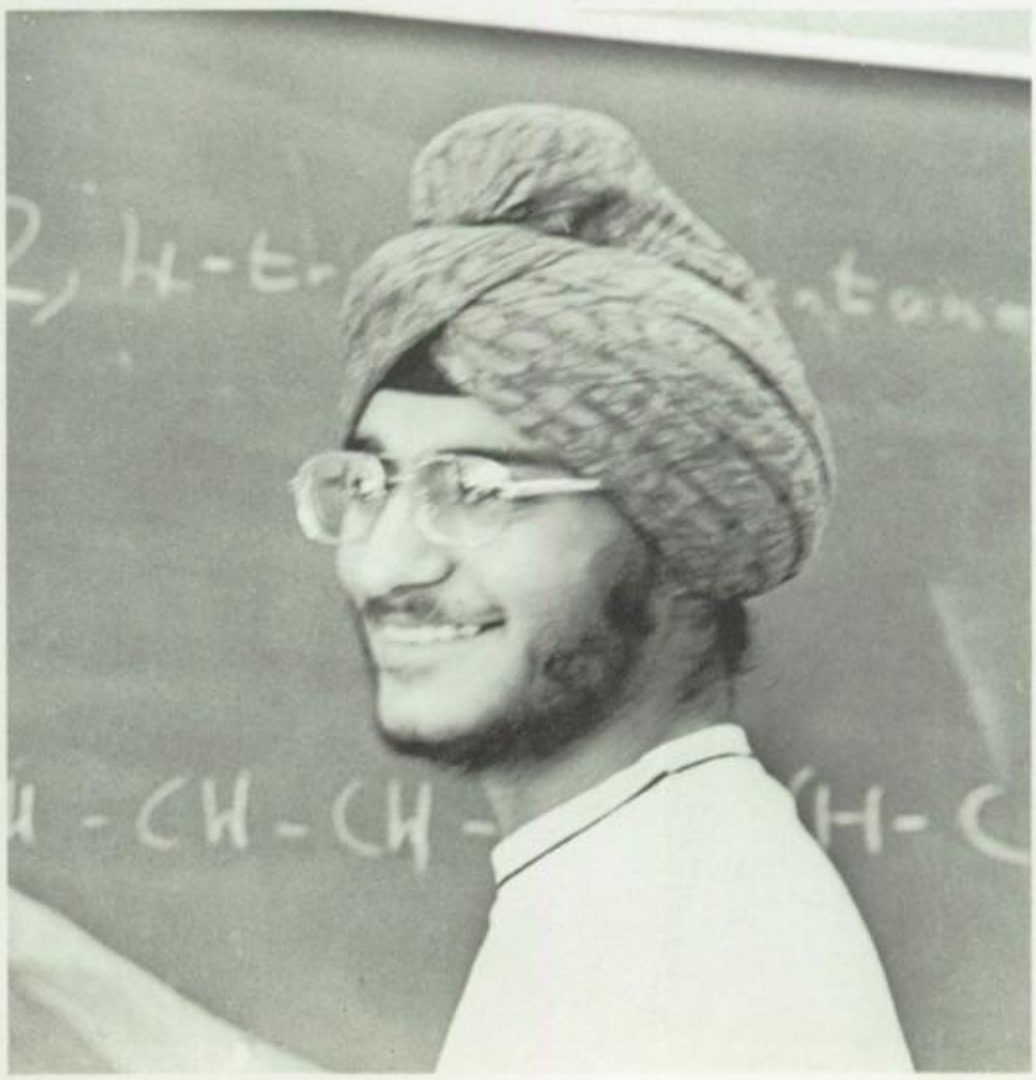






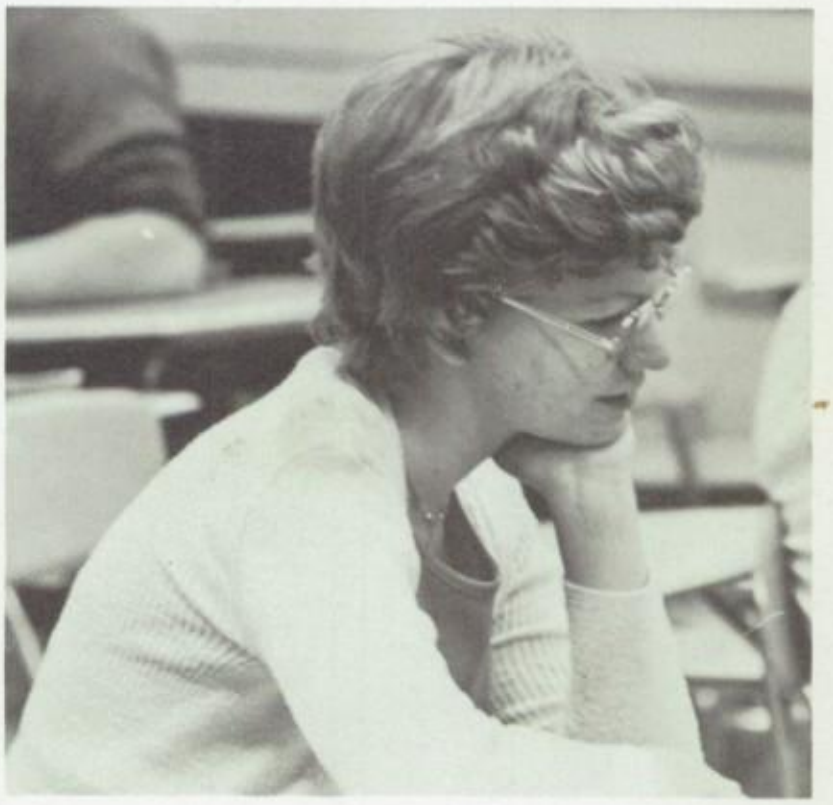
Without ideals, without effort, without scholarship, without philosophical continuity, there is no such thing as education.

Abraham Flexner

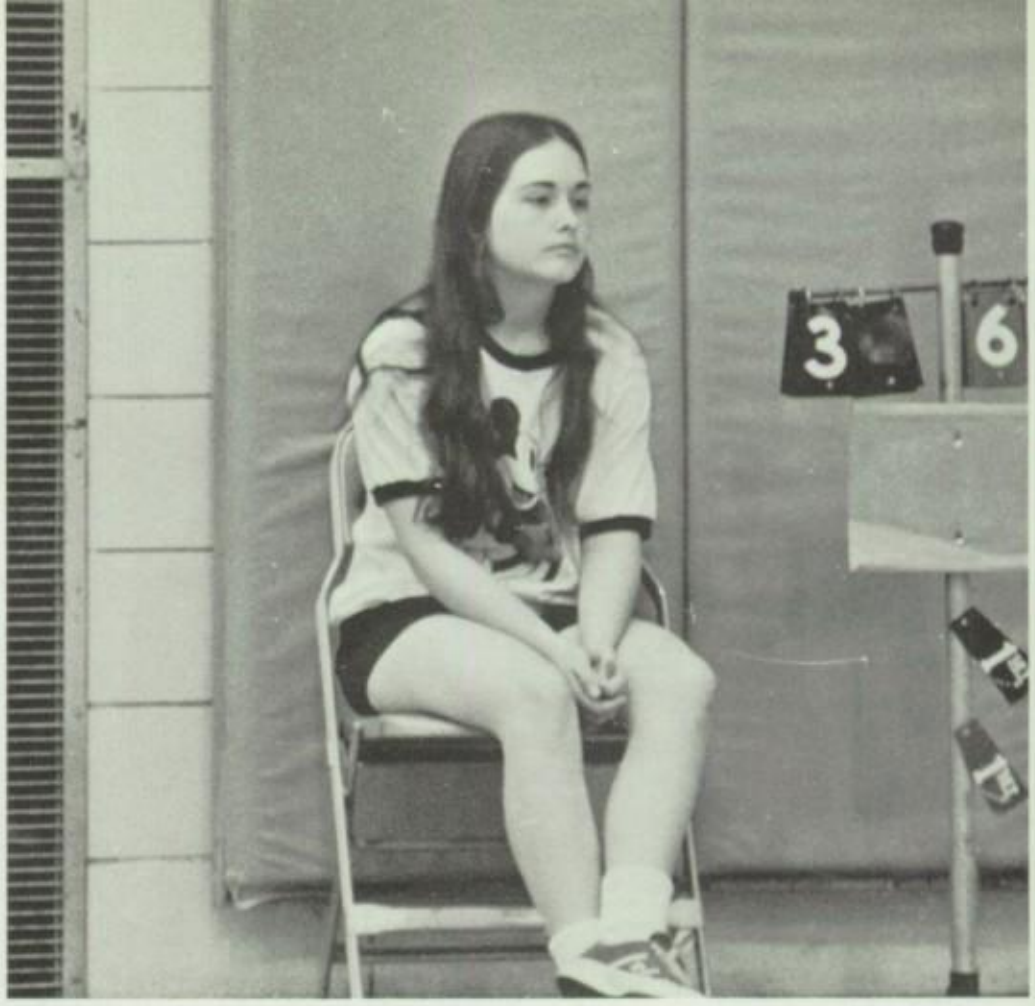


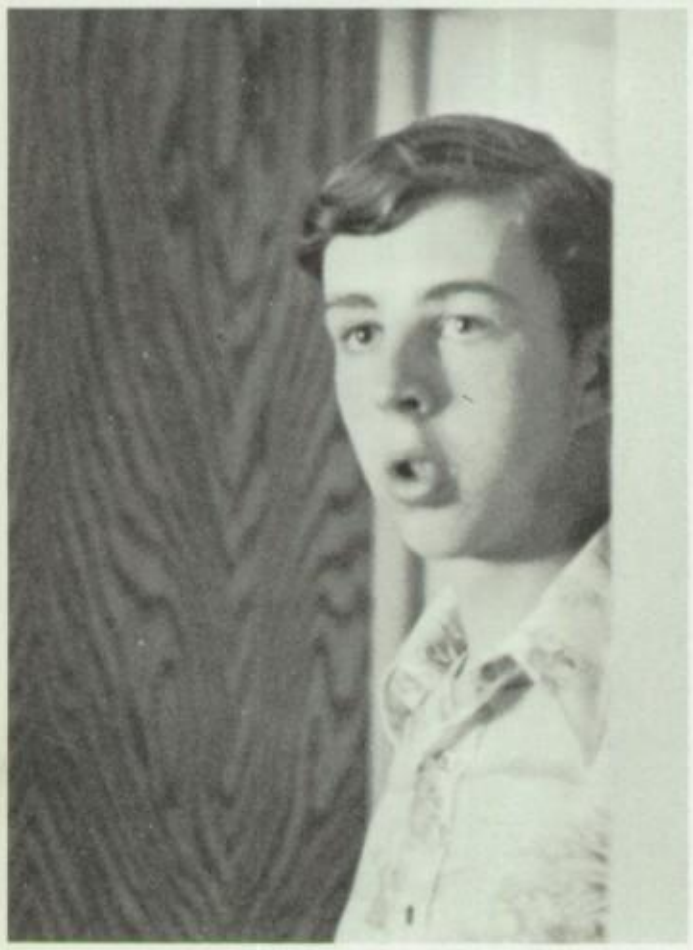
I do my thing and you do your thing,
I am not in this world to live up to your
expectations, and you are not in this world
to live up to mine.
You are you and I am I,
And if by chance we meet,
It's beautiful.

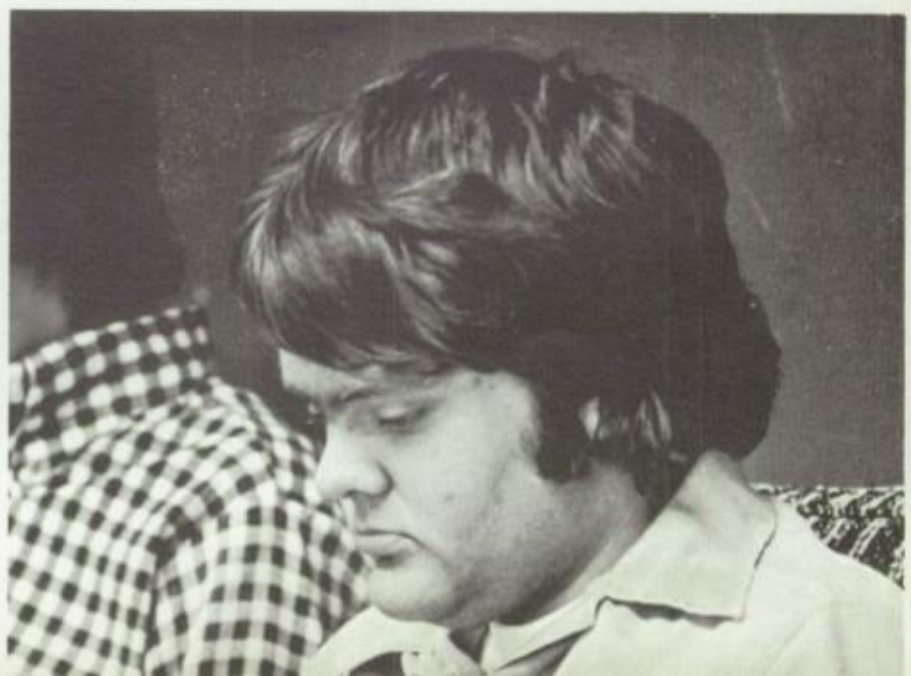
Peres



"To laugh often and love much; to win the respect of intelligent persons and the affection of children; to earn the approbation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to give of one's self; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to have played and laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you have lived — this is to have succeeded."







**"Man is wise and constantly
in quest of more wisdom:
but the ultimate wisdom,
which deals with beginnings,
remains locked in a seed."**

OUR EXCHANGE STUDENTS—

Thomas Beisse

Tom enjoys our varied school activities which outnumber those at his school in Hanover, West Germany. An exchange student through the YFU program, Tom arrived in the U.S. in mid-August and is enrolled as a senior here at Central. In addition to participating in school functions, Tom also spends much of his time working on gymnastics. A natural gymnast, Tom not only practices but also teaches gymnastics part time. Tom has learned much from his experiences here and claims that he likes it more here than his own school in Germany.

Miquel Chevelas

Miquel Chevelas finds the students here to be very friendly and enjoys his relationship with them. A native of Tupan, Mexico, Miquel came to us in mid-August as an exchange student through the YFU program. Besides enjoying the atmosphere here and the people, Miquel is a member of the swim team and likes his shop courses. Except for the difficulty of learning our language, Miquel has no problems with the American life style and hopes to return here again someday.

Teresa Anne Carter, daughter of Mr. and Mrs. Robert Carter has spent the year as an exchange student in Brazil. While at Central, Teresa was actively involved in various activities; such as: Band, Stage Band, the school play, National Honor Society, Swim team, and Girls Track. We here at Central have missed seeing Teresa, but we are happy she is enjoying her life in Brazil.

There is no limit to the art of acting. You need the understanding of all human nature, the sense of beauty of the artist and poet, the sense of rhythm of the dancer and musician, the mentality of a philosopher and scientist. It is the universal art.

We, as Central cheerleaders, want you to know our thoughts; but it is hard to express in words the memories CHS has brought to us. The times we have shared, both good and bad, through the tears and the many smiles, have made us come to realize that it is all worthwhile. Arguments have hurt at times and yet we have seen it through; but for all the fun that we have had we owe it all to you. Back-walkovers and pop-ups, cheering in the rain, cheerleading camps, and practices — remember all the pain?!?

Now the good times have ended and our year is done and if we make the best of it next year, it will be as much fun. But our feelings go much deeper than we could ever say, cheerleading has been so special to us in every way.

The 1976 baseball season was both disappointing and pleasing. Disappointing in that we lost out in the District 4 playoffs and lost some league games we shouldn't have. Pleasing in that we won the Columbia County League Championship for the fourth time in the past six years and won twenty games for the fourth year in a row. The loss of several stellar performers — DeFelice, Karnes, Adams, Comstock, Keck, etc. make 1977 a truly challenging year.

On the lighter side who can forget the following: Jeff Nietz trying his first chew of tobacco, Greg Snyder trying (unsuccessfully) to protect a 21 run lead against Sullivan by issuing 12 walks, Dan Comstock's gastric problems during pep talks and Mark Young tripping either over first base or the foul line.

The 1975-76 Girls track team did exceedingly well considering that it was in its first year. Kim Hessert, Jeanne Scarince, Karen McDowell, Laurie Scrimgeour and Carla Everett gave all of their competitors a run for their money. They trained hard and it showed in competition.

The 1976 Girl's Softball Team compiled an 11-3 record and was Columbia County League runner-up for the second straight year after taking the league championship the three previous seasons.

Central lost its chance to regain the title when it suffered two defeats by Bloomsburg and one at the hands of Southern Columbia.

Rayne Yori was voted the team's Most Valuable Player; Jeanne Cole took honors as the Most Improved Player; and Angela Drumm was Rookie of the Year.

As always the team formally ended the season with Coach Ford's annual involuntary "shower" at the school and "swim" in the pool at the team party.

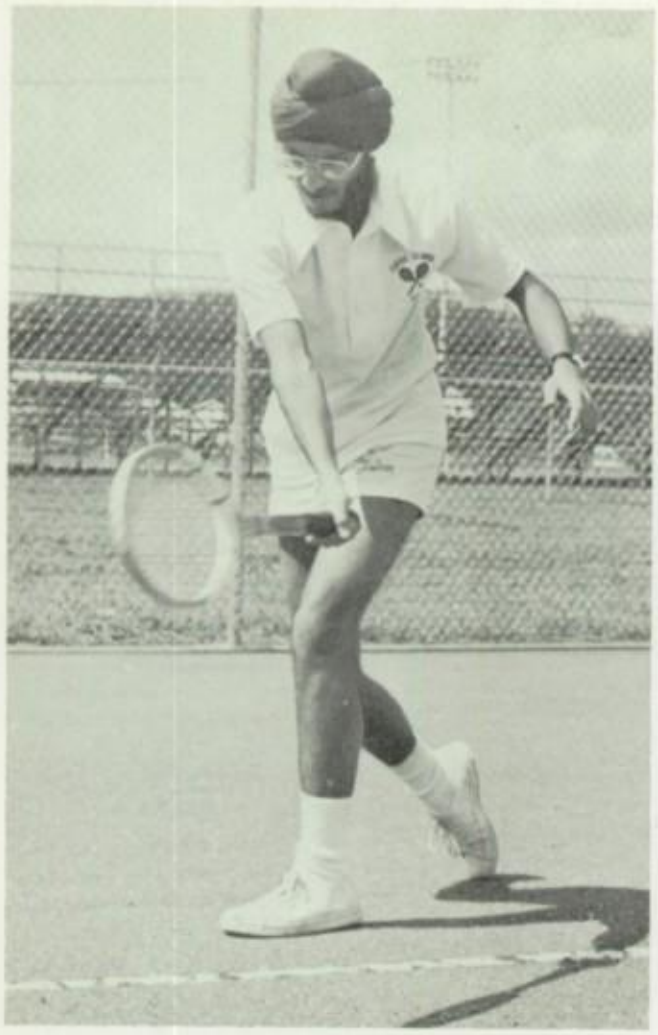
TENNIS



Devinder Bawa

The 1976 Tennis Season was a bright one as the team won the most games **ever** won by a Central Columbia Tennis Team — 10! What makes the picture even brighter is the fact that all five starters are returning for the 1977 Season.

The starting five for 1976 were playing at Number 1 position — Gary Norton (7&9); playing at Number 2 position — Jody Jones (7&7); playing at Number 3 position Dave Superdock (12&3); playing at Number 4 position — Bill Lupini (7&7); and Number 5 — Dave Duncan (9&7).

Other members of the '76 team were Bob Gumaer, Mark Chamberlain, Barry Jones, Devinder Bawa, Jeff Thomas, Bill Lauffer and Mark Rosholt.

All but the two seniors Bob Gumaer and Mark Chamberlain will be working hard to crack the starting lineup in '77. The team is really looking forward to the 1977 season, aiming for an even better year than '76.

Other goals are: 1. to keep Dave Duncan from falling in or out of any windows so his back stays in shape; 2. to keep Bill Lupini out of the mud puddles so his uniform doesn't get so dirty; 3. to control the tempers of Gary Norton and Jody Jones — esp. when they play each other in practice and 4. to keep Dave Superdock's knees from knocking when he gets to a record of 9 and 0.

The month of March brought with it the 1976 track season and they both loomed cold and grey on the horizon. Coming off several less-than-banner years, the Blue Jay Cindermen girded their loins for the approaching season. The second meet brought the Weatherly team to Central. Seeing the Wreckers pile off their bus and hearing their woes of injuries and absences, the Blue Jays sniffed victory. And victors they were. A start, though; they thought.

But, it was not to be. Individual heights were reached: Mike Low vaulted to several wins and Ron Mowery was impressive with the shot. Sprinters Larry Kemmerer and Steve Harris raced to the tape. Standout Rich Drzewiecki hurdled to the district and state championship meets.

The 1977 season approaches brighter however; Hope springs eternal in the hearts of men.

In August, 1976, five Central runners began working out; five miles a day. Throughout the month, times improved and distances increased; all aiming toward the opening meet with defending champions — Berwick. The Bulldogs won, but the Blue Jays realized that their performance was such that a winning season was in the making. And win they did. An upset over Bloom opened a five meet winning streak and a 7-3 season. A third place spot in the district and the performance of Chris Bowman in the state meet capped the finest season in the school's history.

Strong, tight discipline was not the forte of the Jay Harriers. As the team was presenting Coach Kelly with a leopard skin jock and a "Penthouse" magazine, Hank Hemmens sipped from a gallon of beer hidden in his car. As the team ate pizza at the end of the season party, crusts were slipped in the coach's furniture, bed, and drawers.

The 1976 Hockey season ended with a 3 win, 3 tie, 8 loss record. Looking back I would have to describe this year as a building-up period. The team lost several starting line up players from "75" through graduation and there were a lot of new and eager faces this year. With a season's playing experience behind this new team, we are looking forward with great expectations, to next year's season. We are sorry to be losing our only senior, Jody Deterick. And to my J. V. team — may a box of cookies befall everyone of you!

The 1976 gridiron team was marked with many young players whose inexperience proved costly early in the season.

In the backfield, Senior Rich Drzewiecki and senior Greg Snyder consistently gave the opposition all they could handle, while senior Mark Young proved to be the most exciting linebacker for the Blue Jays in quite sometime.

The Blue Jays best performance of the year came against Bloomsburg's eleven. Outstanding play by several seniors such as Harris, Mowery, Rauch and Roman, never allowed the rival Panthers to get on track.

All in all it was a year of readjustment and planning for the future. Coach Bob Rohm and his assistants are looking forward to next year with a number of returning letter winners. It should be an exciting fall of 1977.

The Central Golf Team had its eighth winning season in a row, with an overall record of 13-8-1. The team as a whole did surprisingly well with the third, fourth, and fifth men coming through the matches with flying colors. A special note of satisfaction came when, the first time in the history of our golf team we were able to beat Berwick and Lewisburg on their home courses. We had high hopes of putting candidates in the State Playoffs, but this did not materialize.

Looking back, it was a good enjoyable season; Looking forward, we hope we can repeat our success and even do better.

For the superstitious '77 just had to be a lucky year. Add to that the fact that there were seven (7) seniors (Tim Beish, Todd Creasy, Duane Karchner, Rich Kisner, Dave Ogden, Frank Scarpino, and Joe Simpson) and the magic began to show.

Juniors Chris Bowman, Jeff Corson, Bob Murphy, Gary Norton, and Denny Raup combined their talents with the seven seniors to easily win the first Columbia County Invitational Tournament and later become a powerhouse in SVC and District 4 play.

This 1977 team has to be remembered as one of the finest, if not the finest, varsity squad ever to take the court at Central.

Since 1973 the swim team has worked hard at receiving recognition for the school and district. For the last two years the girls team has placed second at the district meet with the guys team placing third. Throughout the years the team has endured hard workouts, tons of chlorine, chilling water, and freezing hair. But all in all, it has all been worthwhile realizing that the memories will last forever. Who could forget the fun times at the states meets; Lisa and her dixie cups; Brian's word rhyming games; leg stretches; vaseline; and 1,000 fly.

The swim team owes much gratitude and thanks to our coach, Mr. Hammer, for his help and faith in us.

We are looking forward to a successful year with eight returning lettermen, all juniors. We have missed the services of Debbie Yank, Linda Diehl, Lisa Hopkins, and Diana Welch, and we have been hurting for lack of height, but I am sure we have overcome this and we have improved with each game. We have given the top contenders a run for their money, and we have shown them our "stuff."

I am looking forward to a great year next year with the girls. Practices got rough, but they always paid off.

Bowling, although unpublicized, is still alive at Central. The practices are few, but many are still dedicated to the sport. The skill involved is much different than other sports; there is much more emphasis on the concentration of the bowler.

With much of the team graduating with the class of "77", we could use some fresh blood. Let's get out there and "roll those bowling balls."

This year's edition of the wrestling team features 7 seniors. These boys have each put in over 400 hours of practice, 8,672 gut flops, 4321 1/2 push-ups, 4,111 sit ups, and 300 minutes of mt. climbing. These boys have skipped meals, eaten less than the average student, smoked less cigarettes (except Dillon) and lost a total of 704 lbs.

Because of all this hard work and dedication, they have achieved recognition for themselves and for the school. Memories include the ride home from Athens tournament, Sherlinski's underwear, Roman's elbow and bone sticking through, the two pts. Dent scored on Snyder, the State Championship I predicted for Bob Lehman, and Coach Powlus. In short, the team has had its ups and downs (in weight as well as record). It is with some sadness but much pride knowing that I had a small part in their lives, that I wish the seniors much happiness and success in all their future endeavors.

SENIOR VARSITY

The power and prestige of the high school athlete is dead, they say — a victim fallen to the anti-heroes of the sixties and the adolescent apathy of the seventies. Once looked up to as the leaders of tomorrow, symbolic of America's hope for the future, today's high school athletes often find themselves shoved into a stereotype described in sometimes sarcastic and condescending tones.

Well, perhaps it is true that the prestige of the sports here has suffered considerably in America's high schools —

LETTER WINNERS

and, to some extent, that may be good. But there are those aspects of high school sports which remain constant. The virtues of diligence, dedication, determination, and self-sacrifice, sown and nurtured through sports endeavors, make those who participate stronger individuals for their efforts.

We congratulate those seniors who have won varsity letters during their high school careers, and offer them the recognition and appreciation that they have earned.

CLASS HISTORY

Not long after we stepped foot in the halls of Central, back in September of 1973, our class was pegged as "the worst ever" by the majority of the administrators and faculty. Our first few months were filled with class meetings in the auditorium, where attempts were made to improve our behavior, both in and out of class. Finally everything began to sink in, and as all the confusion, caused by a new school started to settle down, so did we.

By Christmas time our class became organized and elected as its officers: President Carol Cole, Vice President Chris Miller, Secretary Mary Pepper and Treasurer Patty Wright. Our freshman year, filled with Mr. Post's American Cultures, Mr. Shelhamer's Physical Science and the excitement of joining new clubs, quickly passed. Before long it was time for our first project, the Ninth Grade Party. Working with the theme "Sunshine", the cafeteria was radiantly decorated for a memorable evening.

The spirit of working together continued into the tenth grade. Our combined efforts produced a first place float for Homecoming. By January our class rings had been ordered and we were well on our way to producing a super Ring Dance. Directing us our sophomore year were: Scott, Mark, Anne, and Ralph: President, Vice President, Secretary, and Treasurer, respectively. Preparations for the Ring Dance began in April, with many people staying after school to create decorations which would set the atmosphere and coordinate with our theme "Imagine." To close our sophomore year, a class picnic was held at the Bloomsburg Town Park the last day of school. None of us will forget the fun we all had.

Cooperation was our key word in eleventh grade. It was our duty to work together and prepare for the prom. Elected as our officers were Mark Young, President, Duane Powlus, Vice President, Sharon Kozak, Secretary, and Anne Schultheis as Treasurer. Our year was filled with hoagie sales, dances and the Easter candy sales. Finally the time came to prepare for the prom. Working around the theme "Southern Comfort" we transformed the gym into an old Southern Plantation. The decorations consisted of picturesque gardens and elaborate Dixieland furnishings. This special evening sped by and soon it was time for the crowning of the queen. Miss Janet Seidel was crowned the 1976 Prom Queen by our President Mark Young. Everyone involved enjoyed the Southern style evening and the comfort. To celebrate the success of the entire year, the class held a picnic at Ricketts Glen at the close of the year.

September of 1976 was here. At last we were seniors, at the top of our high school career. Suddenly it occurred to us us that the lounge was for us. That it was going to be "our" yearbook and that "we" were the veterans of this school. It was to be the culmination of years of hard work, fun time and memories. Our main concern was developing and laying out the yearbook. Guiding us on our fund raising projects were our class officers: Duane, Larry, Sharon and Scott. Our biggest project was the Christmas Candy Sales. With the coming of the New Year — 1977 — graduation day grew closer. The class that once was considered to be "the worst ever" had now become one of "the best ever." Reflecting on all the memories of the past, we realize that we are not really saying good-bye to them, but greeting the new experiences which have grown and developed from our four years of learning here at Central High School.

Down along the Susquehanna
In a field so wide
Stands our school, our alma mater
Viewed by us with pride

Central High School
Central High School
Honor to her name
In her stately halls of learning
May we strive for fame

From her textbooks and her
teachers
Many truths we learn
May we use them in our lifetime
E'er our pathways turn

Ever onward, Central High School
Ever changing be
For we re'rance ev'ry mem'ry
Which we have of thee
